

Access Statement For Jessamine Cottage

Introduction

Jessamine Cottage provides Self Catering accommodation in the village of Little Stretton, Shropshire. The property is a Semi Detached cottage and therefore restricted for access for some visitors, however, we do our up most to provide help if at all possible.

Pre-Arrival

- Email correspondence is available via the website
- The website is clearly presented, in large prints with an unfussy colour scheme
- We can arrange details of public transport and taxi services on request
- We are situated in the village of little Stretton and approx 1 mile from Church Stretton
- The nearest disabled toilets are situated at the car park in the centre of Church Stretton

Arrival & Car Parking Facilities

- The car park has access for 3 cars with adequate room to exit your vehicle we will gladly assist with luggage and persons if required.
- There are 3 steps at the entrance to the property , unfortunately it is not possible to have ramps over these steps in view of the nature of the building. Steps to the front of the property - 3.5" . The surface is flagstoned and gravel. The entrance to Jessamine Cottage is via a step up into the conservatory (There is also some French doors into the dining room with a smaller step)

Conservatory,Lounge,Dining Room and Kitchen.

- The conservatory has a step down into the lounge of the cottage and then the lounge area is on the same level – laminate floor leading to Quarry tiles in the kitchen
- Lighting – The guests lounge and dining room has large windows with plenty of natural light as well as ceiling lights and side lamps
- We are non-smoking

Bedrooms

- Unfortunately Jessamine Cottage is not suitable for wheelchair users as we do not have any ground level bedrooms. However many guests who use walking sticks have managed the flight of stairs to the guests bedrooms.
- This is an old property with many of the original features , doors, flooring, fire places etc. Bedrooms have carpet. Lighting is via main ceiling and each bedroom has reading lamps to each bedside.
- We have one twin with bunk beds and one double, situated on the first floor which is only accessible via the staircase
- Each bedroom has a different colour scheme.

Bathroom

- The bathroom has tiled surfaces, provides a bath mat/slip mat. There is a shower over the bath, low level toilet and standard sink.

Self-Catering Kitchen

- The kitchen provides , electric cooker , microwave, fridge freezer, Toaster , washing machine, dishwasher, kettle and is fully equipped with crockery , cutlery and cooking equipment. I also provide a welcome grocery hamper.

Grounds and Gardens

- The property has a tasteful cottage garden with small beds with a stone path through it.
